

Canada Summer Games 2013

Team NB – 2013 – rider application

Cyclists born in the years 1991 – 1996 are invited to apply to become a member of Team NB 2013. This team will be the pool from which the final 10 road and 6 mountain bike riders to attend the 2013 Canada Summer Games in Sherbrooke Que will be selected. Members of Team NB 2013 will still have to meet the selection criteria for the final team selection which will not occur until early in 2013. Between now and then members of Team NB 2013 will be invited to participate in training clinics, team projects within NB and out of province and other team oriented events. Team NB 2013 members will be kept informed of cycling events and any selection information. For 2013 Road and Mountain Bike events are held on separate weeks and riders may elect to try out for both disciplines but there is no obligation to do both – if you wish to be considered only for one or the other that is fine.
